A day's program of fun has been planned for the entire family at Memorial Park.

Several hundred dollars in cash prizes, donated by Albany merchants, will be awarded at Talbot Solano Avenue. Winners will receive their prizes at Memorial Park immediately following the parade.

This Is Albany

Announcement has just been made by Bob Miller, for 22 years associated with Amerio's Albany Pharmacy, and for the last 14 years its manager, that he had bought out the Amerio interests and from now on will operate under the name of the "Albany Pharmacy", 847 San Pablo Avenue. Miller is married and the father of two children, Karen, 14 and Gary, 13.

CHARLENE MARINELLI

A future bride is Miss Charlene Joyce Marinelli whose betrothal to Richard Gordon De Vecchi has just been announced.

Charlene is the daughter of Mr. and Mrs. Michael G. Marinelli of 1336 Portland Ave., Albany. She graduated from Albany High School and Armstrong College where she was Sigma Iota Chi president, Alpha Sigma Rho member, and Women's Studentbody Representative.

Members of Albany Post No. 292, American Legion, will elect new officers on Friday, July 5, at the Albany Veterans' Building. Polls will open at 9 p.m.

Keeping with tradition, only two officers will be filled without opposition. Richard Ball will move from first Vice Commander to Commander and William H. Jones will advance from second Vice Commander to first Vice Commander. Candidates for all other elective offices from second Vice Commander to the Board of Directors are: Charles A. Lindh, Donald H. Kats, Harold Ogden, James Erskine, David Townsend, George Rittenberg, Irving Jones, Robert McNeill, C. Edward Johnson, Fred Klein, Gilson Talmadge, Ralph Luckwaller, George Mack, Jr., James A. The installation of newly elected officers will be August 2. After this date, Gilbert Sutherland will become the Junior Past Commander and chairman of the Albany Post Past Commanders' Club.

Following the election, the main order of business will be the report of the delegates returning from the American Legion State Convention in Long Beach.

D. Chelemedos Passes After Brief Illness

Albany has lost one more of its "Old Timers," Danny Chelemedos, for 30 years a resident and merchant in Albany, died at an Oakland hospital last Saturday after a week's illness.

Danny came to this country from his native Greece in 1909, and became a resident of Albany in 1927. Soon after he opened a grocery store and market at the corner of Solano and Masonic Avenues, and which he has operated continuously ever since. He was loved and highly respected by everyone. The family residence is at 919 Key Route Boulevard in Albany.

Mr. Chelemedos was a member of Cephaionian Lodge of San Francisco and the Greek Orthodox Church of Oakland. While not publicly active in civic affairs, he followed city proceedings very closely and was noted for his charities and his love for his fellow man.

Surviving are his wife, Minnie Chelemedos of Albany; five sons, Fred of El Cerrito, Peter of Seattle, Wash., George of Richmond, Danny Jr., of Seattle, and Donald of Albany.

He also leaves three brothers, Geramos of Richmond, Spiro of Oakland, and Constantine of Greece; one sister, Mrs. Kyriakoula Georgatos of Greece, and nine grandchildren.

Funeral services were held at 1:15 p.m. Tuesday from the Ellis-Olson Mortuary, 727 San Pablo Avenue, Albany, from where the cortege proceeded to the Greek Orthodox Church, 916 Brush Street in Oakland for services in the church.

On motion of Councilwoman Mrs. Kathie Zahn the Albany City Council adjourned its meeting Monday night in honor of Mr. Chelemedos.

Alderson-Ceridono Engagement Told

The engagement of Pat Alderson and Don Ceridono was announced on June 13, when Pat graduated from Albany High School.

The bride-elect is the daughter of Mr. and Mrs. Walter Alderson of 812 Ramona Avenue, Albany. She plans on going into civil service.

Don is the son of Mr. and Mrs. J. R. Ceridono of 1120 Portland Avenue, Albany. He graduated from Albany High School three years ago and is employed by Merchant Calculators Inc.

The Albany couple have not set a wedding date.

Jerome Blank, at left, is Albany councilman and chairman of the council finance committee. The use of the money is restricted by law to specified production work and may not be used for street repairs. This fund is scheduled to be used for widening Buchanan Street, west of San Pablo. —Gazette photo

Above are shown the winners in the recent 'Miss California' judging at Santa Cruz. At left is Miss Lynn Pawson, Miss Albany, Olympic swimming champion and internationally known exponent of "Synchronized Swimming", who was sponsored by the Albany Junior Chamber of Commerce. Miss Pawson was third place winner in the State contest. In center is the new 'Miss California', Miss Lorna Myrtle Anderson from Sacramento State College, who will compete in the 'Miss America' contest at Atlantic City next month. Second place winner was Miss Claudin Slack, right, 'Miss Tulare'. Miss Pawson is the daughter of Mr. and Mrs. Richard Pawson, 633 Carmel Avenue, Albany. Hildebrand photo

A new corps of officers headed by Dick Thomssen as president took over at the Albany Rotary luncheon Tuesday noon, and things went off very smoothly.

Mrs. Shirley Easting, Berkeley policewoman assigned to the Juvenile Division, presented a very interesting outline of experience and duties, as well as many of the problems which arise in her work from time to time. Hal Denham served as chairman of the day, while President Dick Thomssen presided.

At next Tuesday's luncheon the Rotarians will be addressed by the Honorable Joseph A. Murphy, judge of Department One, of the Alameda County Superior Court. Don Bruce will be chairman of the day.

COUNCIL APPROVES PROPERTY PURCHASE

The Albany City Council at its regular meeting Monday night took action toward the purchase of a fourth piece of property in its move toward providing the city with new housing for the Fire and Police Departments, and for a new and larger city hall.

The action consisted in authorizing the city attorney to prepare a resolution "To carry out the option to purchase the property located at 1041 Solano Avenue," at a price listed as \$17,475, and adjoining the present city hall on the west. The present owner is Mrs. Mande Wilson, and is a two-dwelling unit 37½ by 110 feet. The three pieces of property already purchased adjoin the Fire and Police building on the north and east.

Previous to the opening of the regular meeting the council held a session with members of the Library Board, discussing the board's proposed budget for the coming year, and also terms of a new contract with the county library board under which full control of the Albany Library will be under the local board, but books will be purchased from the county at a stated price as required. A \$2 membership fee will be required of non-citizens making use of the library service, and all fines will go to the city. The fines have been upped from two to three cents a day.

The council budget meetings are scheduled to start on July 10 and 11, at 7:30 o'clock, and will be carried on subsequently until the budget is finally fixed. The council will also serve as a board of equalization in connection with the budget sessions.

City Attorney Foley reported to the council that builders of the new shopping center, just north of Albany, are considering cutting through of Katus, Stannage and Evelyn Avenues — now dead-end streets north of Brighton, and said he would have a further report on the legal questions involved after further consultation with City Engineer McAuley.

Award of the contract for four police cars was awarded East Bay Chevrolet Company on the recommendation of Police Chief Ralph Jensen.

Change in classification of Lot 34, Block 10, Regents Park Map No. 4, 1067 Stannage Avenue was approved on second reading and passed to print.

Two resolutions were adopted. One commended the Albany Junior Chamber of Commerce for its promotion of the Miss Albany contest, and the other thanked the Albany Lions Club for its construction of a barbecue pit at the Civic Center.

On motion of Councilwoman Zahn the meeting was adjourned in honor of Danny Chelemedos, for 30 years active in civic and business affairs in Albany, who passed away last Saturday after a brief illness.

He that hath truth on his side is a fool as well as a coward if he is afraid to own it because of other men's opinions.

SPEAKING & CARDS

SOLITAIRE MAKES A COMEBACK

Dealers of playing cards report that the fastest selling items at the Christmas market this year is a set consisting of two playing cards attractively with the colorful, illus-

trous. The Solitaire set is a gift item not only for convalescents and shut-ins who for years have been traditionally associated with the game but with other segments of the population as well. Much of the credit for Solitaire's recent spectacular revival (it was first played back in the Seventeenth Century) must be given to a 3 1/2 year old girl searching around for a gift for her famous grandfather. Aware of his love for Bridge, and other card games, little Susan Eisenhower bought a copy of the book, "100 Ways to Play Solitaire," and sent it along with a deck of playing cards, to the President as a birthday gift.

This well-publicized event served to spark interest in this old favorite which is sometimes regarded as the granddaddy of all card games. Personally one of the ten most popular card games in the country, Solitaire has at times been overshadowed by such two-handed or partnership games as Canasta, Gin Rummy, Bridge or Pinochle.

As an indication of the game's popularity, better than 1,000 variations of Solitaire are known—more than for any other game—and new versions crop up at the rate of about half a dozen each year. Some are played with a single pack, others with two, still others with four or more. Players of other card games such as Poker, Bridge and Cribbage have developed Solitaire versions of their own favorites, to play when they can't find any partners.

In addition to its traditional popularity with the country's senior citizens, an increasing number of businessmen and housewives are finding in Solitaire and its variations a quick and harmless means of relaxing after a trying day. Parents have also learned that Solitaire can keep children occupied on rainy days while it helps them develop arithmetical skills.

Retailers predict that the Solitaire set will be a year-round gift rather than just a Christmas specialty and say that its sales will continue to grow in proportion to the national increase in leisure time and the mounting longevity of our population.

Albany Man Takes Bride In Washington

Miss Ruth Eloise Huffman, daughter of Mr. and Mrs. Gibson F. Huffman of Port Angeles, Washington, became the bride of Robert L. Barthman, son of Mr. and Mrs. Clarence S. Barthman of Albany, at a double-ring service June 15 in the First Baptist Church of Port Angeles.

A large basket of peonies and roses flanked by tall standards filled with pink gladioli decorated the sanctuary. On either side of the altar were tapers in seven-branched candelabra. White satin bows and white bells adorned center aisle pews.

The Rev. J. Paul Logan officiated at the service. Mrs. J. Paul

Logan was officiant.

The bride was given in marriage by her father. She wore a ballerina-length gown of nylon lace and net over satin fashioned with a bouffant skirt, strapless bodice, and short-sleeved lace bolero. An iridescent halo held her finger-tip veil. She carried a white orchid and pink rosebuds tied with silver ribbon.

After a wedding trip through Washington, Oregon and California, Mr. and Mrs. Barthman are now at home at 1743 Delaware St., Berkeley. The bridegroom is employed by the Standard Oil Co.

Two Reading Courses Planned At Adult Center

Have you ever wished you could read more rapidly and get the meaning from the printed page with less time and effort? If so, you will be interested in one of the two courses being offered this summer by the Albany Adult Center — one in corrective reading, the other in development reading. Both classes are open during the Summer Session of the Albany Center to young students 12 years of age or over as well as adults, regardless of whether they live in or out of Albany.

Scheduled for Tuesdays and Thursdays, at the Albany High

School Building, 603 Key Route Blvd., the morning class, from 10 to 12, will emphasize reading improvement and is designed to give more individual help to adults and teenagers with various degrees of reading difficulty. The afternoon class, from 1 to 3, is for proficient readers who are desirous of increasing both their comprehension and speed in reading. The first class was scheduled for July 2 and will run for seven consecutive weeks.

Mrs. Iwilda Freshman, the instructor, will help students determine which class will be most helpful to them on the basis of their own needs and interests. Both classes will do oral reading, followed by discussion, time-reading exercises, and explanations of the physical factors which are important to proficient reading. Work on phonics will be included as the need arises and students will find that spelling and writing improve with increased reading skill.

Albany Girl Wins Honors

Rosemary Stout, a June graduate of Burbank Jr. High School in Berkeley, has proved that a person can be good in athletics and still maintain good grades.

An outstanding student at Burbank, Rosemary received many awards for Athletics, scholarship, and citizenship. Among her awards is a Gold Cup awarded for Girls' Athletic Association points — she had 1,825, very good scholarship grades, and excellent citizenship grades.

The Stout family resides at 1190 Neilson, Albany. Rosemary should be stiff competition for the sophomores at Albany High next term.

Senior Dancers Graduate Class

Graduation with all its fanfare, was held in Cornell School Auditorium Thursday evening, June 27, for members of Hop-n' Glide Senior Dancers, when each member of the class received his or her diploma. Refreshments were served in the school cafeteria; the tables were delightfully decorated with colorful pelargoniums and candles.

Seniors who are members of the dance group, extend their thanks and appreciation to Albany School Board, who so generously permitted use of the auditorium during the term, making it possible for the seniors to learn the art of dancing for recreation. During the months of July and August, members will continue to dance each Thursday evening in the Cornell School Auditorium.

Adults and Young Students Eligible For Center Classes

The admission of young students, 12 years of age or over, to the summer adult classes of the Albany Adult Education Center will be the policy of the Center for the eighth consecutive year. In a few cases, children under 12 will be admitted with the special approval of the principal. All courses established for adults are open to the enrollment of young students residing in or out of Albany and regularly attending either private or public schools, but no classes will be established just for young students.

The opening of adult classes during the summer to the enrollment of young students by the Albany Board of Education has several purposes, according to Robert C. Dennis, Asst. Superintendent. It gives them an opportunity to make constructive use of their leisure time during the summer vacation; it makes possible a study of certain subjects they might not be offered in the regular day school as they are attending; and finally they will have an opportunity to develop interests in constructive fields they might not otherwise develop.

Elementary and high school students will pay no registration fee for these summer classes, which started the week of July 1 and extend to August 17. They will, however, be responsible both for providing their own supplies and for paying the special fees that are charged in a number of classes. Last summer over 400 young students enrolled in one or more of the adult education classes at the Adult Education Center.

Landscaping and Garden Care At Adult Center

The summer program of the Albany Adult Education Center will again include a course in landscaping and gardening. Vernon Dean, who taught the course last summer, has scheduled his class for Tuesday evenings, 7 to 10 in the Albany High cafeteria, 603 Key Route Blvd. There will also be a Saturday morning field trip, scheduled for July 20. The class which started July 2 and will include seven weekly sessions, is open to the enrollment of those residing in or out of Albany.

Interesting and practical advice for the home gardener will be presented during the course beginning with "do-it-yourself" instruction in how to draw landscape plans for the students' own homes and grounds. This will include an outline of the basic principles involved in the planning of house and garden with walks, drive-ways, terraces, garden shelters, and plantings.

Gardening techniques will be covered, including the accepted methods for planting, pest control, and soil conditioning. There will also be descriptions of various plants, how to use them in landscaping, how they grow, and their needs and care in Bay Area gardens.

Mr. Dean, who has been with the Berkeley Recreation and Parks Department for 24 years, is a registered landscape architect.

Cazadero Site Of Music Camp

High school musicians will eat, drink, and breathe music from August 19 to August 31 at the Cazadero Music Camp. Robert Lutt, of Berkeley High School, will be Music Camp director. Cost of attending is \$60. A music teacher's recommendation is required.

Complete information on the camp may be obtained by contacting the Berkeley Recreation Department, 1835 Allston Way, Berkeley, TH 1-0200.

THE STORY BEHIND THE FIGURES

As shown in our June 30, 1957 Statement of Condition, Bank of America's resources have climbed to \$10,028,279,418—leading those of any other banking institution by a wide margin.

This figure represents the combined financial strength of the hundreds of individual neighborhood Bank of America branches throughout California—each branch an integral part of its own community and dedicated to providing banking service for all depositors, regardless of size.

Above is shown members of the Albany Crusade cabinet in session, discussing plans for the fall campaign. Left to right, rear row, are Elmer Coble, YMCA; Dr. Walter Hale, Mrs. Cheryl Kleinhammer, public relations chairman; C. H. Eccleston and Cecil Wentz. Front row, Dr. Art A. Longpre, business division chairman; Police Chief Ralph Jensen, cabinet president; John Pleich, Albany campaign chairman; Robert G. Olson, vice-president of the cabinet and chairman of public employees.
